WELCOME HOME

MORELO EMPIRE . EMPIRE LINER 2018

FIRST CLASS REISEMOBILE.
MADE IN GERMANY.

MORELO
FIRST CLASS REISEMOBILE

WHAT IS AT THE CORE OF MORELO?

MORELO stands for first-class motorhomes that are among the best in the world. A MORELO is always a statement of wanderlust, excellent comfort and superior quality. A MORELO means the feeling of being at home anywhere in the world. Or, in short, a MORELO is something truly special – Made in Germany.

This philosophy has transformed us into one of the most successful luxury motorhome manufacturers in Europe in just a few years. The friendly atmosphere, lively individuality, our determination and, of course, our many years of experience strengthen the brand. And, while we may not have entirely expected this unbelievable success over such a short period back in 2010 when we headed out for the Caravan Salon trade fair with just a few prototypes, we did always have faith in our approach.

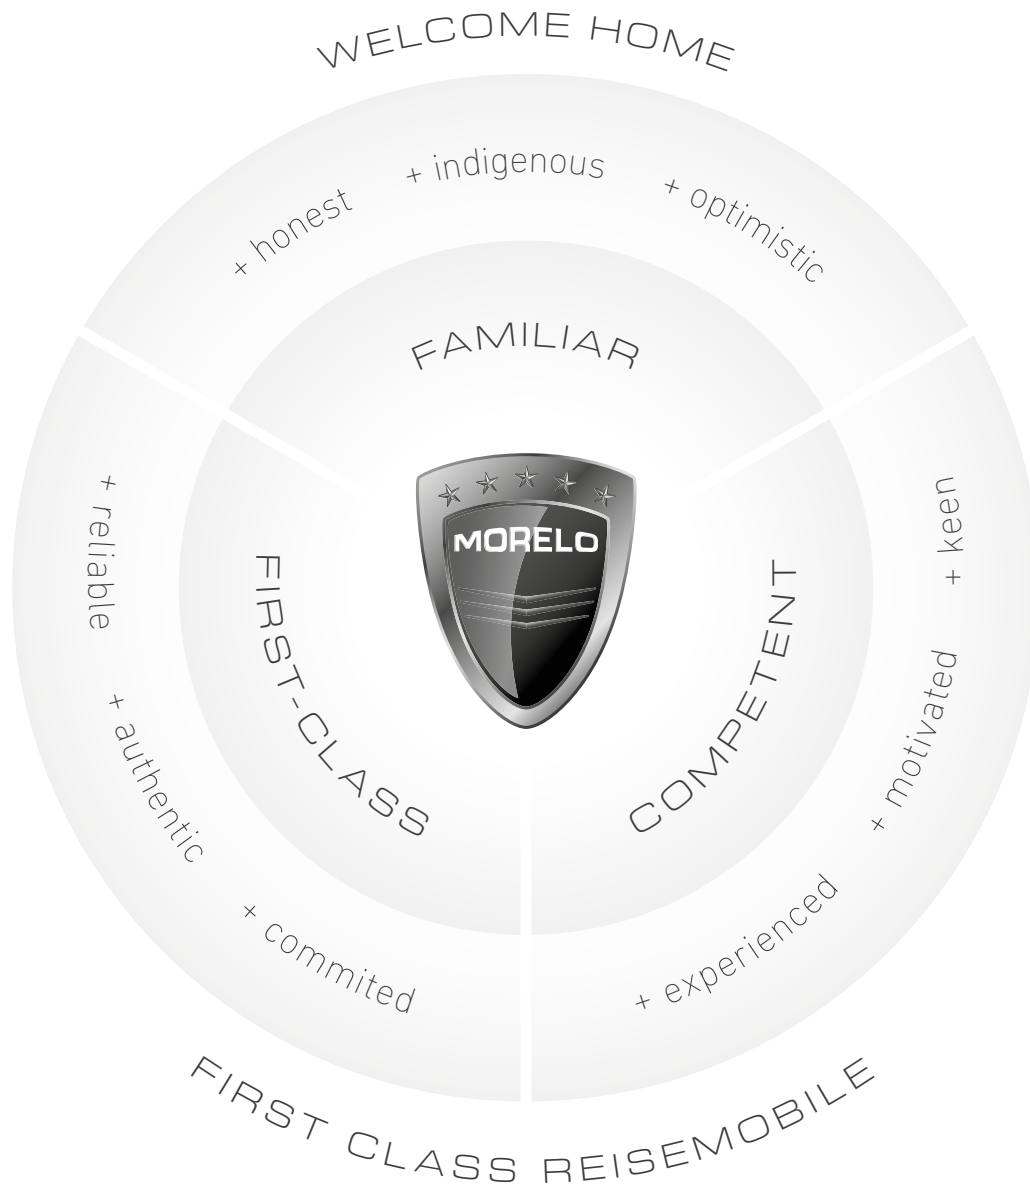

All of this together is what makes MORELO truly special. But do you know what else makes us unique? We did not start building our own motorhomes to get rich. We started doing this because there is nothing else we would rather do. Because there is nothing better than packing your belongings and getting away for a few days—or, even better, a few weeks—to travel through Scandinavia, discover southern Italy or drive to Portugal.

This love for motorhomes is within us and in every MORELO.

**GERMAN
DESIGN
AWARD
NOMINEE
2018**

THREE MEN, ONE PASSION.

We have a very simple philosophy: Anything we do, we do out of conviction. This is why Jochen Reimann founded the company, why Reinhard Löhner works day in and day out refining the vehicles, and why Robert Crispens provides his support in turning our ideas into reality. He has been present since the company's very first steps and provides our glimpse into an even more successful future.

Jochen Reimann, Managing Director

Robert Crispens, Authorised Officer

Reinhard Löhner, Managing Director

OUR FIRST-CLASS EMPLOYEES

The people behind the brand.

An excellent motorhome cannot be created without an excellent team. From decal specialists to joiners, from construction engineers to mechatronics and design engineers, we are incredibly proud of our team of professionals and of each individual MORELO that rolls out of our plant.

HOME IS HOME

Exclusivity, style, comfort. All this and more awaits you in a luxury motorhome like the MORELO EMPIRE. But let's not be modest. One of our best first-class offers more than just comfort and convenience. The MORELO EMPIRE provides something even more valuable: The feeling of being at home.

TECHNICAL SPECIFICATIONS (excerpt)

Chassis: **Iveco Daily**

Engine | Power: **3.0 L | 205 metric HP**

Gross weight: **7,490 kg**

Chassis: **Mercedes Benz Atego**

Engine | Power: **7.7 L | 238 / 299 metric HP**

Gross weight: **9,500 – 15,000 kg**

PERFECT DESIGN INCLUDING ON THE GO

The opportunity to make a first impression never comes again. The MORELO EMPIRE needs no second chances; it draws you in at first glance. It features a sporty front-end, elegant exterior design, refined contours and smooth side walls from front to back. Wanderlust in its most beautiful form. And the aspects you cannot see can be felt all the more: The extremely thick 52 mm walls that provide outstanding room climate at any outside temperature.

THE CONTROL CENTRE FOR LIMITLESS WANDERLUST

Climb aboard and immediately feel at home. Everything is right where you expect.

Perfect functionality with the comforts of living that go above and beyond make the cockpit of the MORELO EMPIRE a true wonder. The raised seating position provides an overview and panoramic view of the road and the landscape. Simply start it up and the journey becomes your destination.

- + Ergonomic driver position
- + Swivel seats
- + Removable leather steering wheel
- + Nine-inch adjustable navigation system
- + Dashboard with leather design

MOBILE BUT ALWAYS AT HOME

Why skip out on something that is an intrinsic part of your life?

Such as refined convenience, exclusive ambiance in your living room, stylish furniture, seat cushions with unmatched comfort, top-end equipment down to the details and vivid lighting. You do not have to leave any of this behind in your MORELO EMPIRE. Quite the contrary.

- + Exclusive lighting elements
- + Unique lighting concept
- + Modern design
- + High-quality equipment
- + Hot water to heat the floor
- + Level living room floor

MUCH MORE THAN JUST FOUR WALLS

Happiness means being comfortable. Like inside a MORELO EMPIRE. Ample and comfortable seating groups, underfloor heating, air conditioning and an even floor from end to end provide comfort down to the last detail. On the go in a MORELO EMPIRE? Bliss!

- + Ergonomic seat cushions
- + Multifunctional table
- + Satellite TV system (optional)
- + High-quality workmanship
- + Wall unit fronts with depth effect
- + Elegant panorama roof window

GOOD TASTE KNOWS NO BOUNDS

Gazpacho in Spain or wild salmon in Norway: The MORELO EMPIRE has an international kitchen and it comes fully furnished to offer all the refinements for putting a region's culinary specialities on your table. Or just simple fare from home. Good taste knows no bounds. Not in a MORELO EMPIRE in any case.

- + Ample space available
- + High-quality surfaces and materials
- + Pod coffee maker

YOUR SPA TO GO

Relaxed comfort in an atmosphere of quiet luxury. Whether in Lappeenranta in Finland or on the outskirts of Estoril in Portugal, at the beach or in the mountains—the bathroom in the MORELO EMPIRE leaves nothing to be desired with its refined natural stone look, stylish fixtures and lavish amount of space.

SPARKLING FRESH WANDERLUST

Normally we would never leave you out in the rain. But this time we are sure you will enjoy it.

Enjoy the comfort of showering at home while parked at your favourite travel destinations.

Your next spa visit is only ever one door away in a MORELO EMPIRE.

- + Large shower cubicle with real glass
- + Rainfall shower head
- + Stylish wash basin
- + Spacious mirrored cupboard
- + Hand towel dryer and heater
- + Ceramic toilet with soft-close lid

STARRY SKY INCLUDED

It feels good to be at home. EvoPore multi-zone mattresses including a comfort sprung base and ergonomic water gel top layer let you enjoy the feeling of sleeping at home every night. And you can look forward to the next amazing day of your trip in your MORELO EMPIRE as you gaze through the panorama roof window at the starry sky twinkling above.

QUEEN BED

The queen bed is accessible from both sides and provides enough room for two additional wardrobes.

Convenient size: **160 x 200 cm**

FRONT-TO-BACK BED

The front-to-back bed maximises your available space and is available as a double bed or two separate beds.

Premium size: **Two times 106 x 200 cm**

THE GARAGE WITH THE MOBILITY GUARANTEE

Room for 180 cases of mineral water. This is what the rear garage of the MORELO EMPIRE can offer—but who needs that much water? How about some bicycles, scooters or motorcycles instead? Or maybe something that offers a little more comfort? The MORELO EMPIRE has room for a Smart, Fiat 500, Mini Cooper or even a Porsche.

DRIVING WITH CONFIDENCE

A ride as straight and stable as a train. Just with more mobility and versatility. Experience it yourself with the MORELO EMPIRE on an IVECO Daily chassis or with the MORELO EMPIRE LINER on a Mercedes Benz Atego chassis. Outstanding quality, superior performance and state-of-the-art chassis technology from a load-bearing ladder frame to standard front and rear underride guards that prevent a car from going under the vehicle in the event of an accident. Your foundation for enjoying travel over thousands of kilometres.

REAL GLASS WINDOWS

The tinted, hinged windows feature several opening levels and guarantee optimal ventilation. They offer perfect integration into the side wall, with high-quality insulated glazing and a locking mechanism with solid aluminium latches. They are also easy to clean and resistant to scratches.

NEW STOWAGE SPACE PANELS WITH BUS LUGGAGE COMPARTMENT DOOR DESIGN

Featuring a newly developed division of the underfloor and false floor areas. This means no unnecessary stooping if you do not need to get to the chassis. The doors are frameless, fully insulated and free of thermal bridges, featuring an internal electric lock and high-tech hinges developed specifically for MORELO.

- + Convenient accessibility, large opening angle
- + Stylish integration into the side wall
- + Opens at the press of a button
- + Special internal hinges
- + Special opening mechanism
- + Opening function using gas springs

REAL GLASS PANELLING

The real glass panelling creates an accented surface that incorporates the windows seamlessly. Innovative design for a first-class motorhome.

SIDE SKIRTS

Perfectly integrated into the side with access to the chassis, fuel tanks, batteries, waste water connections and technology.

- + Covers built-in central locking system
- + Large opening angle
- + Stylish design

ENTRY PORTAL

Fold-out electric entryway stairs, with three steps (12 t or larger). The steps are extremely stable and offer secure footing.

- + Three steps (12 t or larger)
- + Extra wide and extremely stable
- + Electric fold-out function

WINDSCREEN WIPER SYSTEM

The extra large wiper field ensures you always have the visibility you need. Thanks to the sprayers integrated into the wiper mechanical system, the premium wiper blades guarantee excellent road visibility results.

HEATED FRONT WINDSCREEN

The heated front windscreen made of laminated safety glass ensures a clear view even in winter and under unfavourable conditions.

- + Virtually invisible heating wires
- + Tinted with protection from the sun
- + Bus-style visibility

AWNING INCORPORATED INTO ROOF CONTOUR

The optional awning is seamlessly incorporated into the roof contour and can be installed on both sides of the vehicle as a single or even a double awning.

- + No wind noise
- + Electric extension function, rugged 220 V motor
- + Awning with LED lighting

BUS-STYLE EXTERIOR MIRRORS

There is no need to worry about blind spots. Extra-large exterior mirrors give you a clear rear view.

- + Integrated wide-angle mirrors
- + Precise parking down to the last centimetre
- + Heated, electrically adjustable

EXTRA WIDE SECURITY ENTRANCE DOOR

Featuring coded lock, remote control and emergency unlock. High level of safety from break-ins thanks to internal hinges.

- + Tempered glass windows with blackout blinds
- + Two drawers in the entrance stairs
- + With safety class

ENGINE BONNET

Easy accessibility thanks to parallel opening and pneumatic lifters. The large radiator grille offers a dynamic, powerful look while providing protection from overheating.

ACCESSIBILITY WITH ATTENTION TO DETAIL

All the important items can be accessed quickly thanks to smart use of space in the rear and false floor as well as optimal access.

- + Optimal use of space
- + Unimpeded access
- + All important items can be accessed quickly

REAR DOOR

Powerful electric drive for easy rear door opening and closing at the press of a button. Locks automatically.

- + Electromechanical locking system
- + Extra-deep boot sill
- + Automatic locks

SUPPLY TECHNOLOGY

Household pipes with a large cross-section ensure a water flow free of problems. For optimal weight distribution, the tanks are located in the middle of the vehicle, protected from frost and freezing by the heated false floor.

WATER TANKS

Innovative air-tight rectangular tanks, including supply lines and tank venting, are located at the strut mount, allowing for complete filling.

- + Easy filling
- + Air-tight design helps prevent algae build-up
- + Expandable tank volume

WASTE WATER OUTLETS

We install household-quality pipes and large outlets with ball valves so that you can get rid of waste water quickly and easily.

- + Quick emptying
- + Prevents the release of odours
- + Optionally with electric functionality

ELECTRICAL EQUIPMENT

The high-quality lithium-ion technology with high-end devices from Mastervolt ensures there is always enough power. Large cable cross-sections minimise power loss and cable heating while the safety shutdown feature prevents deep discharge in the batteries.

POWER SUPPLY

All supply, measuring and fuse protection points clearly arranged in one place for a fault-free power supply.

- + Up to 150 A of charging capacity
- + 220 V / 3,000 watt power converter
- + Power shortage compensation

360 Ah LITHIUM-ION BATTERIES

Fast charging operations and full performance up to the capacity limit despite the relatively light weight; multiple batteries can be connected together.

- + Highly efficient
- + 50% weight reduction compared to GEL batteries
- + Voltage-stable

FUEL TANK

The basic model features a generously sized fuel tank at 120 L (= approx. 44 kg of gas). With sufficient space available, this can be expanded to 190 L (= approx. 69 kg of fuel).

THE SYMBIOSIS OF FUNCTION AND DESIGN

An outstanding motorhome is much more than the sum of its individual highlights. We give more consideration to this interaction than any other manufacturer. This is because we build luxury motorhomes out of conviction but we also enjoy driving them across Europe with the passion to visit every spot. For testing and for the pure joy of the ride.

- + Longest possible model lifecycles
- + Load capacity suitable for real-world use
- + Rugged design
- + Carefully selected suppliers
- + Decades of experience in theory and practice
- + Continuous refinement

4-CHANNEL AIR SUSPENSION

Travelling on cloud nine thanks to the air suspension. No other system offers this kind of heavenly driving comfort while providing the true reliability to handle the different load conditions.

Standard fare for the IVECO Daily.

VB-AIRSUSPENSION ACTIVEAIR

A smart suspension and dampening system that adjusts to road conditions and the load in real time. (Optional)

- + Approx. 40 % less side tilt
- + Approx. 15 % shorter braking distance
- + Approx. 8 % less sensitivity to side wind

ZF 8-SPEED CONVERTER GEARBOX STANDARD

The absolute best drive comfort provided by the new 8-speed automatic transmission from gearbox specialist ZF.

- + Wear-free start-up
- + Switching gears is barely noticeable
- + Maximum drive comfort

TELMA RETARDER

The wear-free optional eddy-current retarder handles up to 90 percent of all braking processes. It effectively relieves the strain on the main brake and minimises wear. Relaxed driving with a solid feeling of additional safety.

WIDE AXLE

The optional wider front axle improves the driving characteristics and provides a dramatic flair to the look of the vehicle. The wheels are offset further out, increasing driving stability even further and minimising side tilt to make it even easier to turn and drive around bends.

- + 200 mm wider front axle
- + Larger track stability
- + Dramatic look for the motorhome
- + Better roadholding
- + Reduced side tilt
- + Stabilised in side wind

MULTI-FUNCTIONAL LEATHER STEERING WHEEL

You can operate the on-board control systems right from the steering wheel, keeping your attention on the road and your hands on the wheel. A positive for safety and comfort.

AUTONOMOUS EMERGENCY BRAKING

Autonomous emergency braking detects situations with an impending risk of collision and can initiate full or partial braking automatically.

- + Radar-controlled
- + Warning function
- + Driver-independent braking at maximum force

LANE ASSIST

Active lane assists keep you securely on the road. Warning signals indicate if the vehicle unintentionally veers out of the lane.

- + Warning of unwanted veering
- + Visual and audible signal
- + Also works in fog and at night

VB-AIRSUSPENSION

This air suspension specialist makes our motorhomes even safer and more convenient thanks to improved roadholding and optimised stability.

Numerous additional functions turn quality into premium quality.

www.vbairsuspension.co.uk

IVECO

We build on a stable foundation. The IVECO chassis ensures absolute brand-name quality.

Rugged, stable and durable – we and our partners are so confident of this that we give you a two-year mobility guarantee.

www.iveco.com

TEN HAAFT

Outstanding satellite systems for a diverse range of programmes and top-class convenience is yours thanks to Ten Haaft. Exceptional service, intelligent technology and top quality on all channels for your entertainment.

www.ten-haagt.com

DOMETIC

A strong partner for many needs, Dometic provides the solutions. From the refrigerator to the air-conditioning system in the living room to the skylight, this company outfits our motorhomes with high-quality products.

www.dometic.com

FAHRZEUGBAU MEIER

Fahrzeugbau Meier is our authority of choice in all things related to safety. Such as the combination of the smart ActiveAir suspension and dampening system and the newly developed front axle for the IVECO Daily that is 200 mm wider. A new level of driving safety.

www.fahrzeugbau-meier.de

ALDE

Intelligent heating solutions that ensure the best possible climate and provide clever control with the Smart Control app win us over as well as our customers.

www.alde.co.uk

LAYOUT VARIANTS

YOU HAVE THE CHOICE

The EMPIRE makes it easy for you to bring your idea of the perfect motorhome to life with its three variable basic layouts and virtually limitless ways to combine equipment variants.

WITH FRONT-TO-BACK BEDS (L LAYOUTS)

Front-to-back beds in the rear allow convenient access from the foot of the bed, separately for each bed. The top parts can be adjusted independently.

WITH FRONT-TO-BACK BEDS AND WARDROBES IN THE BEDROOM (LS LAYOUTS)

Just as much sleeping comfort as the L layouts with some extra stowage space. In these layouts, the bedroom has room for two spacious closets in front of the beds.

WITH QUEEN-SIZE BED (M AND G LAYOUTS)

The layout with a free-standing queen-size bed and wardrobes to the left and right next to the bed offers convenient access from all sides as well as additional stowage space.

KITCHEN . BATHROOM . GAS + HEATING + WATER . ELECTRONICS

KITCHEN	190 litres AES refrigerator, with separate freezer compartment, automatic and manual energy selection
	Mineral material kitchen worktop with seamlessly integrated wash/waste bowl and domestic drains, incl. Nespresso coffee machine
	3-flame stainless steel gas cooker, installed countersunk with automatic ignition and glass cover
	Extractor fan over cooker
	Single-lever mixer tap, chrome
	Drawers with super-soft closing and cutlery compartment
	Double pull-out waste bin with two removable bins
	LED spots
BATHROOM	Sockets 2 x 230 V
	Skylight, with flyscreen and pleated blackout blind
	Washstand, with seamlessly integrated sink, (push open valve and domestic drain)
	Single-lever mixer tap, chrome
	Soap dispenser, cup holder and pull-out towel bars
	Lighted closet
	Separate shower, with rain shower and additional handheld shower
	Toilet window, with flyscreen and pleated blackout blind
	Ceramic toilet with 250 litres septic tank
	Toilet paper holder and toilet brush
GAS + HEATING + WATER	Spacious wardrobe with LED lighting
	LED-Spots
	Sockets 2 x 230 V
	120 litres gas tank instead of gas bottle compartment (with remote filling and) in the side wall and level indicator in the control panel display
	5.500 W hot water gas central heating, with thermostat control, automatic ventilation valve and backflow shut-off
	Electrical heating element, 230 V, up to 3.000 W
	Engine heat exchanger, for using engine calories to heat up the living area
	Floor heating in living area and bathroom
	Towel dryer radiator in bathroom, with thermostat control, chrome
	Heat regulating thermostat in bedroom
ELECTRONICS	Integrated hot water boiler, serving all tapping points
	380 litres fresh water tank, 250 litres wastewater tank, 250 litres septic tank, situated in the heated double floor
	Emptying of wastewater tank, via drain tap with large cross section in heated double floor and drain hose with bayonet connection
	Domestic style wastewater pipes
	Central pressure water supply
	230 V socket in the garage
	230 V CEE connection, with insulated floor inlet
	Lithium battery 1 x 360 Ah, Mastervolt combined charger / inverter, 150 A / 3.000 W, with power-sharing, fully automatic battery protection, premium control panel and 230 V socket in the garage
	Sound system with 4 loudspeakers and subwoofer

Central control and monitoring panel, with colour touch screen

Shut-off function for on-board electrical system, in case of undervoltage/overheating

On-board electronics, microprocessor-controlled with bus technology

Buttons for switching on/off, lighting, water pump and special equipment, including main switch for all consumers

Alarm devices, for 'wastewater tank full', 'step extended', 'fresh water tank empty', reserve gas bottle in use' and diverse others

LCD control panel, for monitoring external and internal temperature, external current supply, parallel battery circuit, battery voltage of vehicle and leisure battery

LCD control panel, for monitoring the wastewater tank, fresh water tank, gas level (only when gas tank fitted), charging/discharging current, date and time with alarm function

ACTIVE SAFETY

The intelligent **ActiveAir** spring and damping system, in combination with our newly developed **wide front axle** for the IVECO Daily, raises driving safety and ride comfort to a new level. Experience the numerous advantages of an adaptive damper system and a track width extended by 200 mm:

- Braking distances shortened by up to 15%
 - Side tilt during cornering reduced by up to 50%

- Sensitivity to side winds reduced by up to 8%
- Reduction in fuel consumption thanks to a 9.3% reduction in rolling resistance
- Visual refinement from wide, extended front wheels
- Option to change damper settings between „Comfort“, „Normal“ and „Sport“

FULLY AUTOMATED JACK SYSTEM

MAKE YOUR STAY IN YOUR MORELO AS COMFORTABLE AND EASY AS POSSIBLE

Our jack systems are precisely matched to your vehicle.

The 4 hydraulic jacks level your vehicle in less than 2 minutes. Despite their low empty weight, each jack can lift 2 to 10 tonnes (depending on the model). During the retraction phase, an

exceptionally high pressure is reached to ensure that all of the jacks are fully retracted.

OUR ADVICE

The E&P jack system is fully automated and works at the press of a button, but it can also be operated manually. Automatic tilting also makes it easier to empty the tanks.

DOW: THE BEST

STYROFOAM™ MAKES THE DIFFERENCE

As a manufacturer of high-quality motorhomes, MORELO relies on STYROFOAM™ for heat insulation.

STYROFOAM™ is a blue XPS foam and is used as a core layer material in ceilings, walls and floors.

The closed cell structure of the insulation makes it resistant to moisture.

STYROFOAM™ offers excellent heat insulation, ensures lower fuel consumption thanks to the low weight and provides optimised torsional strength for the vehicle due to high compressive strength. Not only does it increase living comfort on board, it also improves the quality and durability of your motorhome.

®™ Brand of the Dow Chemical Company („Dow“) or an affiliated company

DOMETIC TEC-TOWER

REFRIGERATOR

To be top class in the motorhome sector, the interior must also be top class. MORELO motorhomes include our largest refrigerators as standard. Whether it's the 190 litre, two-door RMD with separate freezer compartment or the RMDT (TecTower) with combination oven.

Mobile living made easy.

Just like MORELO, more than just the standard. Dometic. Mobile living made easy.

OUR ADVICE
Clean the burner tube once a year to ensure that the refrigerator provides the cooling power you have come to expect.

www.dometic.com

SIZE IN DETAIL

All TV sets in your MORELO are manufactured by alphonics, located in Nuremberg, Germany. This means consistently high quality that meets your expectations for a reliable mobile television.

The devices feature energy-saving alphonics wide-angle displays, integrated Triple Tuner (DVB-S2, DVB-T2 (H.265), DVB-C with CI+ for receiving Pay TV),

DVD player, equipped for the Mobile Home Automation system.

OUR ADVICE
Simply put your favourite films on a USB stick and bring them on holiday with you. You'll be entertained throughout the trip, all thanks to alphonics.

ALDE SMART CONTROL

GET MORE FROM YOUR ALDE® HEATING SYSTEM

Alde® Smart Control consists of an electronic box connected to a TouchColor control unit and an app for your smartphone.

You can use Alde® Smart Control to control many heating system functions remotely, including the temperature, energy source selection and „hot water on/off“ feature. You

receive alarm messages regarding battery and temperature levels via text message.

OUR ADVICE

Alde® Smart Control is now available for MORELO ex works and can easily be retrofitted in many cases. Just ask your Alde® service partner.

www.alde.co.uk

HOME WHEREVER YOU ARE

When you buy a satellite system from ten Haaft, you are buying more than just a reliable brand product. You are also choosing our many years of experience, excellent service, intelligent technology and top quality!

Many service centres throughout Europe ensure reliability and rapid assistance.

Innovative Mobile Technology

OUR ADVICE

Oyster® is the user-friendly satellite system that offers a wide variety of programmes and top-class convenience.

A SAFE FOOTING

COMFORT AND SAFETY ARE INCLUDED

Are you looking for relaxed driving with a solid feeling of additional safety? Then pair our 8-speed HI-MATIC automatic gearbox with our standard ESC without skipping the comfort of full air suspension. Or the electromagnetic Telma eddy-current retarder. This is the leading choice for safer braking, acting right on the drivetrain and making it

IVECO

possible to brake the vehicle to a standstill. The gentle, smooth braking provided by the Telma handles up to 90 % of all braking operations, thereby preventing the main brake from overheating. Furthermore, wear-free braking protects the main brake, resulting in a significant reduction in operating costs.

Your IVECO motorhome experts

www.iveco.de

THE VB FULLAIR 4C

For more comfort, improved roadholding and improved stability.

Functions

Did you know that the VB FullAir 4C systems also provide the following functions?

Auto level function (optional)
Off-road function (up to 25 km/h)
Process water discharge function
Rear garage entry function
Ferry boarding function
Manual raising
Manual lowering

MORELO
FIRST CLASS REISEMOBILE

MORELO Reisemobile GmbH · Helmut-Reimann-Straße 2 · D-96132 Schlüsselfeld · Fon: +49 (0) 95 52 – 9296 00 · www.morelo-reisemobile.de

Subject to technical changes and errors. Please note that some of the illustrations in this catalogue show alternative designs or optional extra fittings, which would incur additional costs. Variations in colour may arise during printing. This document, including extracts thereof, may only be reproduced with the written permission of MORELO Reisemobile GmbH.

The prices listed for vehicles and extras apply to their purchase and licensing in Germany. They are given in Euro and include VAT at 20%. We reserve the right to adjust prices accordingly in the event of VAT increases during the delivery period. All prices represent nonbinding recommendations ex works. Price changes for basic vehicles will cause price adjustments based on the additional price for the basic vehicle. The prices for extras are only valid if they are fitted in the factory and scheduled in due time. Retrofitted extras will incur additional material and assembly costs.

Prices include ancillary costs for pre-shipment of the chassis and TÜV certification. Transport costs to abroad or foreign registration costs are not included.

We reserve the right to make technical modifications, providing overall product quality is maintained or improved and there is no restriction in terms of the designated use.

This price list applies to orders as from the 1st of August 2017. All previous price lists will cease to be valid. Errors and omissions excepted.

¹ The mass of the vehicle in running order includes: driver (75 kg), full fuel tank, 100 litres of fresh water, full gas bottles, tool kit and spare wheel. The fitting of extras and accessories may alter the weight and dimensions. All dimensions and weights are based on the knowledge available at the time of going to print. Deviations of +/- 5% are possible and deemed acceptable.
